

Operations at Towered and Non-Towered airports

A review of procedures and best practices at both towered/non-towered airports for collision avoidance, avoiding runway incursions, proper communications, and emergencies.

Directions: From I-55 go north on Weber Rd to Clow International Parkway, turn left, go to the end of the road and at airport sign turn right. Go past stop sign to parking lot at the end of roadway. The Illinois Aviation Museum hangar is across from the display aircraft outside, facing the runway. Entrance door is on the right when facing the hangar.

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!
